3. **Terrain-** Natural areas and waters are subject to natural forces which can result in obstacles and hazards. Please, be mindful of your steps along our foot paths, especially during hours of garden irrigation, as well as drying off sufficiently after exiting the pool and entering the veranda/ house – these situations can be slippery and dangerous.
4. **Isolation-** Retreats tend to be in wilderness and natural areas which may not be regularly patrolled, communication may be difficult and rescue and medical treatment may not be immediately available.
5. **Weather-** Weather may change rapidly and can be extreme, presenting significant challenges. Wind and rain in Costa Rica can be strong and unpredictable.

I acknowledge the enjoyment and challenge I receive from the activities of this retreat and the wilderness and natural outdoor experience, its isolation and the opportunity to experience wildlife and nature in a natural surrounding and state, and emotional experiences resulting from personal growth exploration. This is my reason for participating in this event, and I voluntarily assume all risks associated with these activities and freely waive any and all legal rights that I may have against the releasees.
